

Blue Christmas Service

The Blue Christmas Service...a time when we can, with others, acknowledge the "blue" feelings we have at Christmas time, the losses behind them, and offer them to God.

In this service, we'll share in some quiet music, hopeful words, and find a place to simply be ourselves in the struggles of the season. We'll take time to remember and name those we are missing this Christmas and light candles in their memory. Come and join us for this beautiful service of remembrance.
